Ag Replacement Parts

FOR CASE IH[®]
TRACTORS

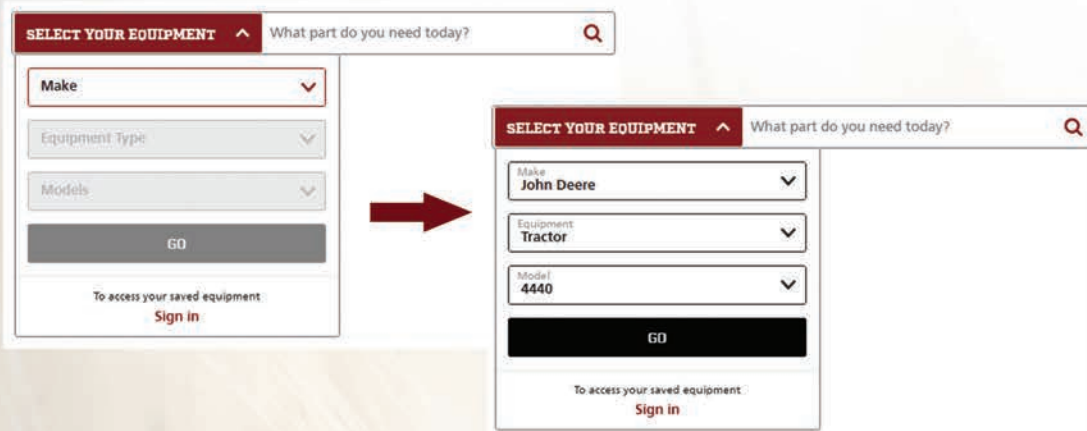

AbileneMachine.com

NEW My Shed Feature on AbileneMachine.com

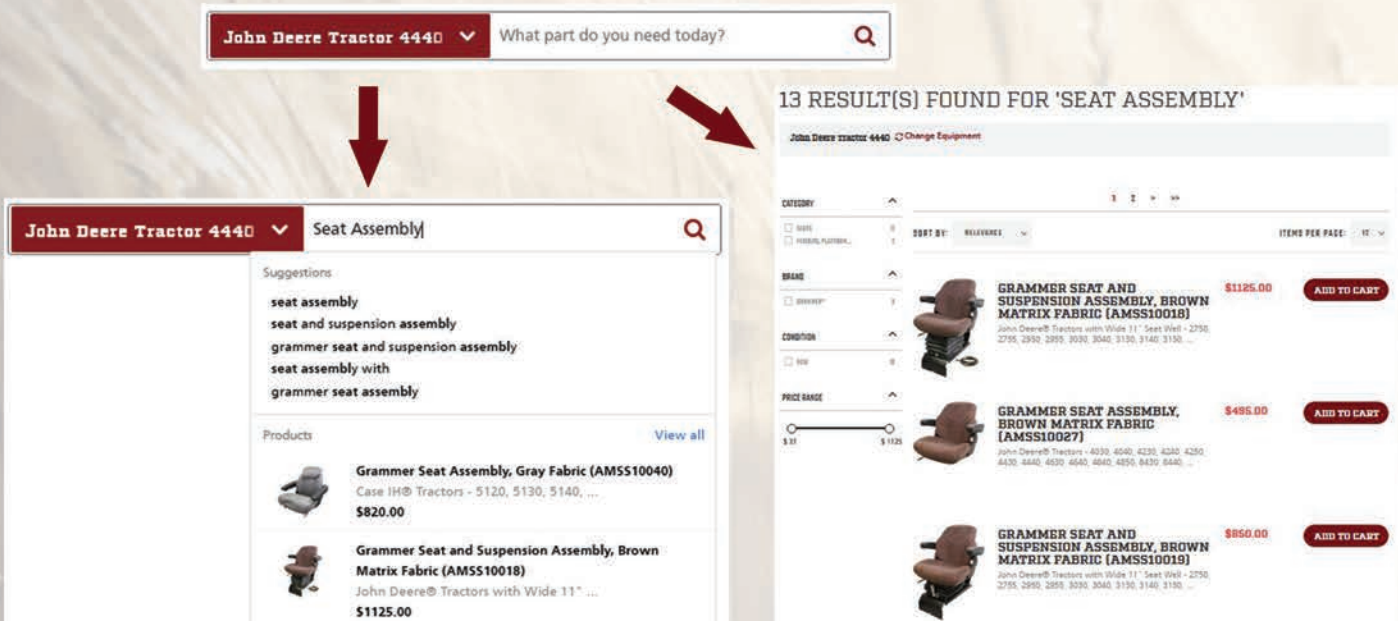

A new way to narrow down your parts search geared specifically to your equipment

Select the make, equipment and model of your machine in the dropdown menus located at the top of the home page. Click the "Go" button.

The diagram illustrates the process of narrowing down a search. On the left, a search form titled "SELECT YOUR EQUIPMENT" has dropdown menus for "Make", "Equipment Type", and "Models", along with a "GO" button and a "Sign in" link. A red arrow points to the right, where the same search form is shown with "John Deere" selected for Make, "Tractor" for Equipment Type, and "4440" for Model. The "GO" button is now highlighted in black.

With your equipment selected, enter the product you are searching for (or part number if you have it). Suggested results will be displayed, or press enter to go to a list of all product results for your machine.

The screenshot shows the search results for "Seat Assembly" on a John Deere tractor. The search bar at the top shows "John Deere Tractor 4440" and "Seat Assembly". Below the search bar, there are suggestions for "seat assembly", "seat and suspension assembly", "grammer seat and suspension assembly", and "seat assembly with grammer seat assembly". The main results section shows three items:

Product Name	Price	Action
Grammer Seat Assembly, Gray Fabric (AMSS10040) Case IH® Tractors - 5120, 5130, 5140, ...	\$820.00	ADD TO CART
Grammer Seat and Suspension Assembly, Brown Matrix Fabric (AMSS10018) John Deere® Tractors with Wide 11" ...	\$1125.00	ADD TO CART
Grammer Seat Assembly, Brown Matrix Fabric (AMSS10027) John Deere® Tractors - 4030, 4040, 4230, 4240, 4250, 4430, 4440, 4550, 4640, 4650, 4830, 4840, ...	\$485.00	ADD TO CART
Grammer Seat and Suspension Assembly, Brown Matrix Fabric (AMSS10019) John Deere® Tractors with Wide 11" Seat Width - 2750, 2755, 2850, 2855, 3030, 3040, 3130, 3140, 3150, ...	\$850.00	ADD TO CART

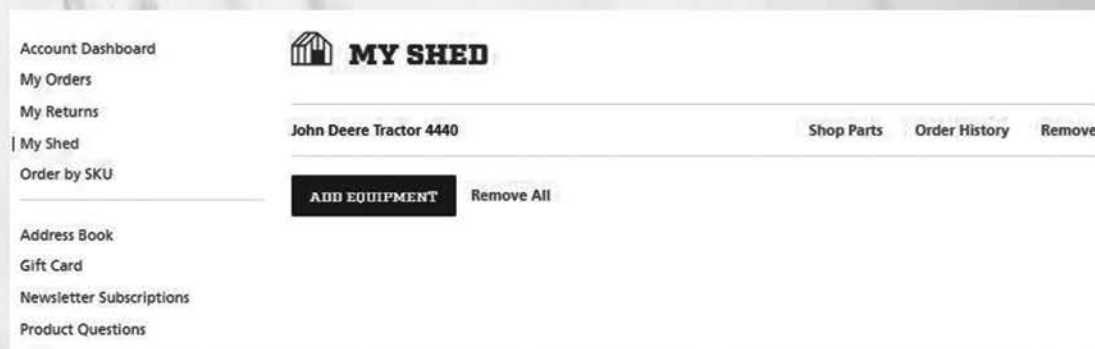

With the My Shed feature, your equipment selections can now be saved to your account to make future searching convenient and easy!

Once you create an account to access "My Shed," your equipment can be saved and you can also view past order history. This makes yearly maintenance easier and faster when it comes to getting the parts you need.

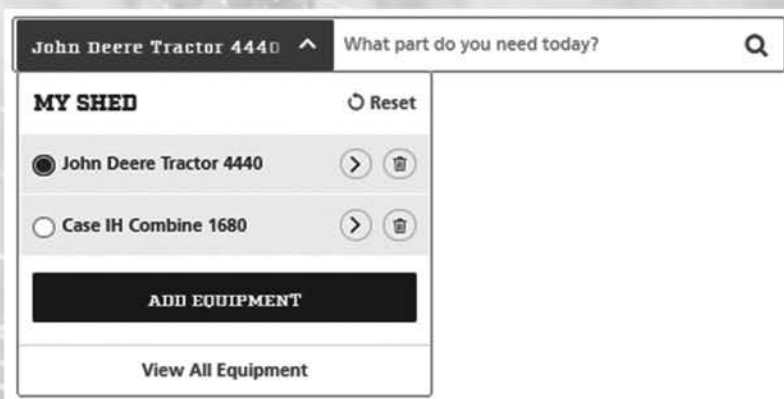

To create an account, select the Account icon to the right of the search bar and select "Create an account."

Follow the next screen to enter your information and create the account. If you made an equipment selection in the parts search, it will automatically be added to "My Shed" and will also be viewable on your Account Dashboard. Additional equipment can be added by clicking the "Add Equipment" button from either screen (prompts the dropdown menu at the top to open again) or by going directly to the parts search at the top of the page and making a new selection. When you hit "Go," this selection is automatically added to your shed.

Quickly switch between equipment in your Shed by clicking the dropdown menu at the top of the page and selecting between machines. The page will reload to that selection and is ready to search for the products you need. As a thank you for reading about our new My Shed program, please use the code MYSHED22 for a 5% discount on one order through December 31, 2022.

Shift Kit and Components

This bolt-on kit alters the shift pattern so you can easily shift from high-reverse to 7th gear, eliminating shifting by the lower gears every time you change direction. The kit also makes the high-reverses available on older 2-reverse tractors.

Application	Description	Part Number	Retail Price	Core

Injectors

Our remanufactured injectors are disassembled and thoroughly cleaned. The internal components are lapped to ensure there is no leakage. All tips are inspected for hole erosion and opening pressure; and the spray pattern is tested using OEM specifications.

Case IH®—Tractor

Injection Pumps

All of our injection pumps are disassembled, thoroughly cleaned and inspected. All worn out parts are replaced and the pumps are reassembled with new gaskets. Pumps are tested for leaks and fuel delivery at low idle, high idle, full load, part load and at start up. Any pumps with an automatic advance system has the advance set. As an additional quality check, all pumps are tested with a special oil that will not varnish inside the pump.

Mufflers and Exhaust

Our mufflers are manufactured by experienced craftsmen here in the United States. All mufflers have welded seams. Aluminized steel is used for critical components. These features ensure that our products resist the corrosive effects of air, heat and the by-products of combustion that work to shorten muffler life. Additionally, they are painted either silver or black to cosmetically match its OEM counterpart, as well as provide further protection from the elements.

Engine Overhaul Kits and Parts

To succeed, farms depend on their equipment's ability to perform day-in, day-out. Make sure your engine is up to the task. Whether you need to make a quick repair or want to fine-tune your entire engine, we can help with our extensive inventory of high-quality overhaul kits and engine parts.

Multiple Options

We offer a wide variety of overhaul kits to fit any need. Our kits cover diesel and gas machines and are built to fit most makes, including John Deere®, Case IH®, International®, Ford®, New Holland®, Allis Chalmers® and more. We offer remanufactured shortblocks and longblocks. We also carry inframe and complete remanufactured engines, as well as used engines to fit any need and budget.

Components

Our high-quality component parts are thoroughly tested and competitively priced. Kits range from basic to comprehensive and may include:

- Cylinder kits
- Piston pin bushings
- Rod bearings
- Main bearings
- Camshaft bushings
- Camshaft plug
- Front and rear crankshaft seals
- Gasket set with seals
- Connecting rod bolts

One-Year Warranty

Abilene Machine offers a standard one-year warranty on new, used and remanufactured parts for peace of mind.

Abilene Machine is a family-owned and operated company that's been serving farmers for over 40 years. With an inventory of more than 40,000 parts and four locations across the United States, we'll make sure you get dependable, durable parts shipped fast.
