With the My Shed feature, your equipment selections can now be saved to your account to make future searching convenient and easy!

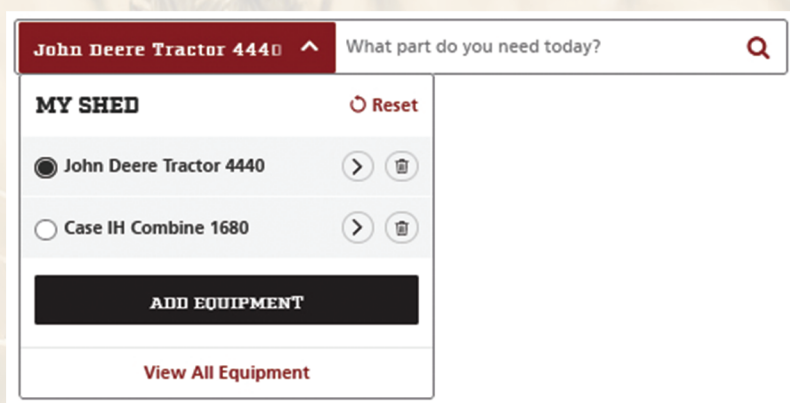

Once you create an account to access "My Shed," your equipment can be saved and you can also view past order history. This makes yearly maintenance easier and faster when it comes to getting the parts you need.

To create an account, select the Account icon to the right of the search bar and select "Create an account."

Follow the next screen to enter your information and create the account. If you made an equipment selection in the parts search, it will automatically be added to "My Shed" and will also be viewable on your Account Dashboard. Additional equipment can be added by clicking the "Add Equipment" button from either screen (prompts the dropdown menu at the top to open again) or by going directly to the parts search at the top of the page and making a new selection. When you hit "Go," this selection is automatically added to your shed.

Quickly switch between equipment in your Shed by clicking the dropdown menu at the top of the page and selecting between machines. The page will reload to that selection and is ready to search for the products you need.

Feederhouse Chains

Description	Part Number	Retail Price	Core
Application: N5, N6, N7, R5, R6, R7, R60, R70			
Front Feederhouse Chain 84 links - slat every 2nd & 4th link 3 Chain Assembly, CA557	AM71149915	\$ 699.00	
Serrated Slat For 12.625" Chain Centers	AMX29121	\$ 18.00	
Application: R40, R42 BSN 45000, R50, R52 BSN 55000			
Front Feederhouse Chain 85 links - slat every 6th link 2 Chain Assembly, CA550	AM71149917	\$ 515.00	
Serrated Slat For 15.675" Chain Centers	AM71344422	\$ 15.00	
Application: R42 ASN 45001, R52 ASN 55001			
Front Feederhouse Chain 97 links - slat every 6th link 2 Chain Assembly, CA557	AM71149938	\$ 600.00	
Serrated Slat For 15.675" Chain Centers	AM71344422	\$ 15.00	
Application: R62, R65 BSN HS62101, R72			
Front Feederhouse Chain 97 links - slat every 2nd & 4th link 3 Chain Assembly, CA557 Replaces 71149871	AM71149958	\$ 975.00	
Serrated Slat For 12.625" Chain Centers	AMX29121	\$ 18.00	
Application: R65 ASN HS62101, R66 ASN HUT6101, R75 ASN HS72101, R76 ASN HUT7101, S67, S77			
Front Feederhouse Chain, Serrated 48 Serrated Slats 3 Chain Assembly, CA557	AM71412327	\$ 2,056.50	
Application: N5, N6, N7, R5, R6, R7, R60, R70			
Rear Separator Chain 76 links - slat every 2nd & 4th link 3 Chain Assembly, CA550	AM71149833	\$ 750.00	
Serrated Slat For 15.675" Chain Centers	AM71335675	\$ 15.00	
Application: R40, R42, R50, R52			
Rear Separator Chain 86 links - slat every 6th link 2 Chain Assembly, CA550	AM71149940	\$ 495.00	
Serrated Slat For 15.675" Chain Centers	AM71344422	\$ 15.00	
Application: R62, R65 BSN HS62101, R72			
Rear Separator Chain 89 links - slat every 2nd & 4th link 3 Chain Assembly, CA557 Replaces 71149873	AM71149960	\$ 875.00	
Serrated Slat For 12.625" Chain Centers	AMX29121	\$ 18.00

Ag Replacement Parts

Honest. Personal. Service.

Grammer® Seats

You spend a lot of time in your cab, and having high-quality seating is about more than being comfortable. It's about protecting your back and keeping you going. Whether you need to make a repair or want a plug-and-play replacement, we can help with our extensive inventory of Grammer® seats.

Grammer® seats are the gold standard for cab seats. These extremely durable seats are plug-and-play, so you can easily install them and get back in the field. We offer models with mechanical and air ride suspensions, so you can find a seat that fits you (and your farm equipment) perfectly.

We also offer buddy seats, assemblies and individual components including cushions, suspensions and

additional replacement parts. We have you covered for many makes and models, including John Deere®, Case IH®, International®, New Holland®, Bobcat® and more.

For more than 40 years, Abilene Machine has been helping distributors, dealers and repair shops like yours succeed by providing top-rated parts at great prices — all with exceptional service. See how our family-owned company can help your business grow.

All parts are new unless designated remanufactured in the description. Products listed are replacement parts only — not original equipment manufacturers. OEM names and brands are used for identification purposes only.

Air Conditioning Parts and Components

**Blower Motors • Compressors • Condensers
Evaporators • Expansion Valves • Receiver Driers**

LEDs Light Up Your World

LEDs are extremely energy efficient & more durable than traditional incandescent light bulbs. Other benefits include a much longer lifespan, reduced maintenance costs and higher safety.

**LED kits and single replacement lights available for tractors, combines,
harvesters, balers, loaders, skid steers, telehandlers and more.**

Agricultural and Industrial Belts

Q Power® uses the highest quality materials and the most advanced manufacturing in the world to build their belts.

Quality always comes through

New, Used and Remanufactured

Honest. Personal. Service.

Draper Belts

Abilene Machine is proud to offer the Q-Power® line of heavy-duty draper belts to keep up with the demands of harvest. These best-selling products are comparable to OEM parts in tensile strength, tear strength and puncture resistance. They are exceptional replacements for many makes, including John Deere®, New Holland®, Case IH® and MacDon®.

Features and Benefits

Teardrop Cleats for Better Durability

Our draper belts are reinforced with teardrop-shaped fiberglass rods for increased cross-directional strength and durability.

Teardrop vs Diamond Cleat

Filament Fibers for Increased Tensile Strength

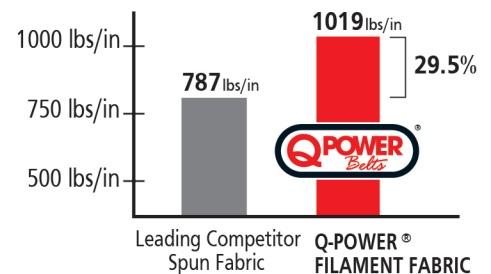

The patented design is made with filament fibers — long, continuous, uniform fibers — that consistently outperform belts made from typical spun fiber in strength tests. They stand up better to stretching and pulling than the competition.

Coated for Enhanced Tear and Puncture Resistance

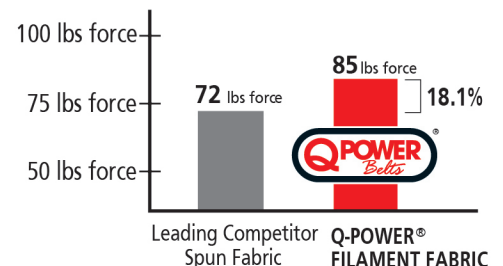

Q-Power® Draper Belts feature both skim and friction coating for enhanced performance. This rubber reinforcement is applied to the top (skim) and bottom (friction) of the belt, increasing durability and fabric protection, while reducing drag and belt weight.

Abilene Machine is a family-owned and operated company that's been serving farmers for over 40 years. With an inventory of more than 40,000 parts and four locations across the United States, we'll make sure you get dependable, durable parts shipped fast.

Q-Power® is 29.5% stronger

Q-Power® is 18.1% more tear resistant

Q-Power® is 81.7% more puncture resistant
