# NEW My Shed Feature on AbileneMachine.com

**A new way to narrow down your parts search geared specifically to your equipment**

Select the make, equipment and model of your machine in the dropdown menus located at the top of the home page. Click the "Go" button.

With your equipment selected, enter the product you are searching for (or part number if you have it). Suggested results will be displayed, or press enter to go to a list of all product results for your machine.

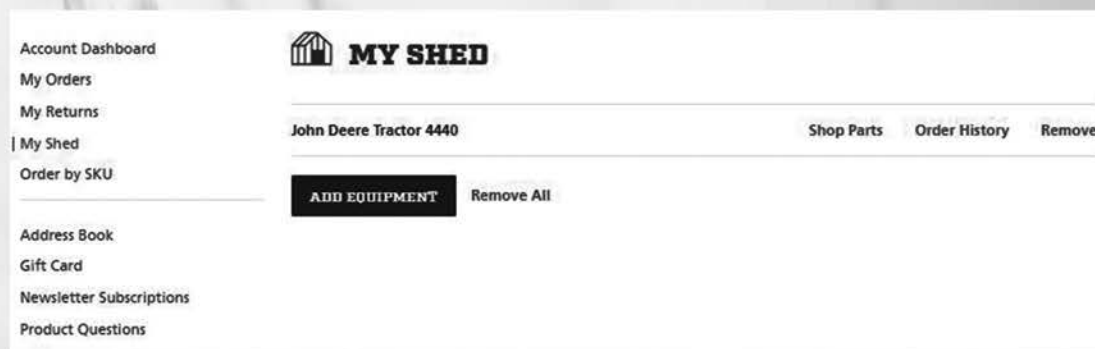

# With the My Shed feature, your equipment selections can now be saved to your account to make future searching convenient and easy!

Once you create an account to access "My Shed," your equipment can be saved and you can also view past order history. This makes yearly maintenance easier and faster when it comes to getting the parts you need.

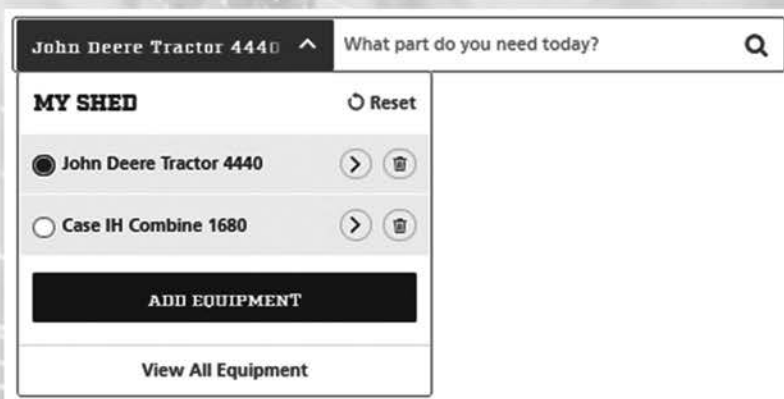

To create an account, select the Account icon to the right of the search bar and select "Create an account."

Follow the next screen to enter your information and create the account. If you made an equipment selection in the parts search, it will automatically be added to "My Shed" and will also be viewable on your Account Dashboard. Additional equipment can be added by clicking the "Add Equipment" button from either screen (prompts the dropdown menu at the top to open again) or by going directly to the parts search at the top of the page and making a new selection. When you hit "Go," this selection is automatically added to your shed.

Quickly switch between equipment in your Shed by clicking the dropdown menu at the top of the page and selecting between machines. The page will reload to that selection and is ready to search for the products you need. As a thank you for reading about our new My Shed program, please use the code MYSHED for a 5% discount on one order through December 31, 2023.

# Grammer<sup>®</sup> Seats

You spend a lot of time in your cab, and having high-quality seating is about more than being comfortable. It's about protecting your back and keeping you going. Whether you need to make a repair or want a plug-and-play replacement, we can help with our extensive inventory of Grammer<sup>®</sup> seats.

Grammer<sup>®</sup> seats are the gold standard for cab seats. These extremely durable seats are plug-and-play, so you can easily install them and get back in the field. We offer models with mechanical and air ride suspensions, so you can find a seat that fits you (and your farm equipment) perfectly.

We also offer buddy seats, assemblies and individual components including cushions, suspensions and

additional replacement parts. We have you covered for many makes and models, including John Deere<sup>®</sup>, Case IH<sup>®</sup>, International<sup>®</sup>, New Holland<sup>®</sup>, Bobcat<sup>®</sup> and more.

*For more than 40 years, Abilene Machine has been helping distributors, dealers and repair shops like yours succeed by providing top-rated parts at great prices — all with exceptional service. See how our family-owned company can help your business grow.*
